Blessed Sacrament Catholic School

Rising Second Graders Summer Assignments

Reading:

Pick any Magic Tree House Book #1-20 to read independently or with a family member.

Complete the attached Cereal Box Book Report templates and glue them to an empty cereal box following the provided directions.

Math:

Memorize your Addition and Subtraction facts through 20.

You can buy or make flashcards to help- Check out Target, Walmart, and the Dollar Stores!

-Mrs. Barry and Ms. Watson

PROJECT DIRECTIONS

You will need to cover a cereal box completely (make sure it is covered all around the front and sides). If you can still see the printing on the box, then cover it again. Make sure you can open the top because you will be placing items inside the box.

Your book report will be the decorations you will be gluing to the box. The following directions tell you the information needed for each of the four sides of your box.

- ❑ **Front:** Decorate the front of the box as if it were the cover of your book. Use creative lettering to display the title of your book. Remember to include the author's name and an illustration for your book.
- ❑ **Back:** Write a book review and a summary of your book about the beginning, middle, and end. Remember to include any important events and information. Your summary can be typed or written and should be glued neatly to the back of your box.
- ❑ **Side #1:** Problem & Solution
- ❑ **Side #2:** Important setting in the story, illustrate your favorite setting.
- ❑ **Inside sections** (place inside box):
  - ❑ favorite part, favorite quote, 3 main characters

BOOK TITLE
