

heART and Soul Art and Crafts Club

The heART and Soul Arts and Crafts Club meets in the Art Room on Tuesdays from 3:00-4:00 with Mrs. Cantley and Mrs. Young. The new school year brings ALL new projects, so even if your child participated last year, the projects will be new this year!

The heART and Soul Art Club is for students in 1st-8th grades. Students can register for all sessions or choose based on the project(s) for each session.

Session fees cover the cost of the art supplies used. (Since this is not a school-funded program, we will purchase the supplies for each session). If your child signs up for a session, the hope is they will attend all weeks of that particular session as the projects will often be ongoing. Some sessions may also include "Open Studio" time where students can freely create!

All sessions are limited to 24 participants. The dates in the first column is the deadline date to register. You may pre-register for all sessions. Once the registration date ends, invoices will be sent via FACTS (before the session begins).

If your child does not attend a session that has been paid, the payment can be applied to a future session. No refunds can be issued!

If you have any questions please email Mrs. Cantley at rcantley@scbss.org.
