

heART and Soul Art and Crafts Club

The heART and Soul Arts and Crafts Club meets on Thursdays in the art room from 3:00-4:00 with Mrs. Cantley. The new school year brings ALL new projects, so if your child participated last year they will not be making any of the same projects this year!

The heART and Soul Art Club is open to students in 1st - 8th grade. Students can register for all sessions or pick and choose which sessions they would like to attend based on the project(s) for each session.

Session fees will cover the cost of all art supplies used (this is not a school funded program so we will purchase the supplies for each session). If your child is signed up for a session the hope is they will attend all weeks of that particular session as the projects will often be ongoing. Some sessions may also include "Open Studio" time, where students can freely create!

All sessions are limited to 20 participants. Please note the dates in the first column for when you must register by, however, you are welcome and encouraged to register in advance for all sessions your child is interested in. Once the registration date closes, invoices will be sent out via FACTS, before each session begins. If for any reason, your child is unable to attend the session that you have paid for, you may transfer the payment to a future session, no refunds can be issued.

If you have any questions please do not hesitate to email Mrs. Cantley at rcantley@scbss.org
