

heART and Soul Art and Crafts Club

Club meets on Thursdays in the art room from 3:00-4:00 with Mrs. Cantley

The heART and Soul Art Club is open to students in grades 3rd - 8th. Students can register for all sessions or pick and choose which sessions they would like to attend based on the project(s) for each session.

Registrations and payments are due a minimum of two weeks prior to the start of each session (please see the chart below) so materials can be purchased in correct quantities. You may however, pay in advance for any sessions you would like your child to attend. Payments must be made to secure your child's place in each session.

Space will be limited each session to a maximum of 20 participants.

Session fees will cover the cost of all art supplies used (this is not a school funded program so we will purchase the supplies for each session). If your child is signed up for a session the hope is they will attend all weeks of that particular session as the projects will be ongoing. Sessions will also include "Open Studio" time, where students can freely create!
